This is to inform you of action taken by the Compensation Board at its September 22, 2003 meeting regarding your request for Technology Trust Funds (TTF).

Section 17.1-279 of the Code of Virginia sets out the process by law that the Compensation Board must follow to allocate these funds for your use. In each Fiscal Year, the Compensation Board budgets to your office the \$2 portion of TTF revenue collected in the prior fiscal year, i.e. the revenue you collected last year (FY03) is to be budgeted for your use in the current year (FY04). The remaining \$1 portion of TTF revenue collected is used for administrative costs, and has been used to date to defray as much as possible the budget reductions that have been imposed over the last couple of years. However, it has been necessary to meet some of the reductions from the \$2 portion of TTF.

In order for the Compensation Board to allocate funds to your office, prior year cash collections must be allotted to the Compensation Board by the Department of Planning and Budget (DPB) with the approval of the Secretary of Finance. We requested an appropriation of \$4,882,305 - the full amount of requests from all Clerks' offices for the allocation of TTF for FY04. However, DPB has only approved a maximum of \$2,687,618 for allocation to your offices, requiring that existing cash be used to cover the planned FY04 TTF budget reduction of almost \$4 million. The Compensation Board has been assured by DPB that as FY04 collections accumulate to cover this reduction, additional funds will be available for allocation to your office this year. (A full accounting of available balances of TTF money is available on our website at http://www.scb.state.va.us/budgets.html)

The board took the following action on your request: Requests for all Clerks' offices for the allocation of TTF totaled \$4,882,305 for FY04, and the Compensation Board has approved a total of \$2,687,618, or approximately 55% of each request. All requests to carry forward TTF for the future (totaling \$495,845) have been approved. As it will take approximately 3 to 5 work days for staff to update SNIP to reflect these actions, a spreadsheet has been placed on our website (http://www.scb.state.va.us/budgets.html) showing the specific amount approved for your office at this time. The September 2003, SNIP report will reflect the budgeted amount approved for your locality on the "Equipment/Services" screen (Selection 4).

The Compensation Board will renew its request to DPB to appropriate the total amount of funds necessary to meet your full request. We are hopeful that current year (FY04) revenue will be sufficient by next month to allow approval of our request, thus allowing the Board to approve the remainder of your request at its October 15 meeting.

Please contact Lynn Bailey (<u>Ibailey@scb.state.va.us</u>; 804-786-0786x202) or Richard Lampman (<u>rlampman@scb.state.va.us</u>; 804-786-0786x215) if you have any questions.
